Mr.A.Gomathinayagam	DGM - Design & Analysis, Larsen & Toubro Ltd.	Industrial Expert
Ms.S.Malliga Devi	Vice President, Cosiema.	Industrial Expert

The following agenda was taken up for discussion.

SUBJECT NO.	DESCRIPTION
Part A	Action Taken on the Minutes of the IQAC Meeting held on 13th April 2023.
Part B	Discussions & Delebrations 1.Targets and plans for the academic year 2023-2024 2. MOOC Courses 3. Identification of professional organization for training the faculty members 4.AICTE Curriculum implementation

Submitted for favour of confirmation to the IQAC.

PART A: ACTION TAKEN ON THE MINUTES

1. **Academic calendar**
   The academic calendar for 2023-2024 was released and distributed to students and faculty members, along with the contact information of administrative incharges.
2. **Plan of events**
   The management has approved a series of Seminars, Conferences, and Faculty Development Programs for the academic year 2023-2024. These programs aim to educate students about the latest technological advancements and enhance the knowledge of the faculty. A list of resource persons from prominent industries and academia has been finalized for these events.
3. **Curriculum Revision**
   After several brainstorming sessions, the board of studies meeting, which included academic experts, industry professionals, and alumni, finalized the R2023 curriculum. The curriculum for the upcoming academic year, 2023-2024, was revised to incorporate the specific needs and requirements of the industry.
4. **NAAC Accreditation**
   Following the committee members' recommendation, the institution is making preparations to submit the Annual Quality Assurance Report (AQAR) in July and subsequently apply for accreditation from the NAAC. The institution is actively working towards achieving the highest NAAC grade of A++.

PART B: DISCUSSIONS AND DELIBERATIONS

1. TARGETS AND PLANS FOR THE ACADEMIC YEAR 2023-2024

Based on the discussion of the IQAC meeting, the following targets are set for the academic year 2023-24.

- To organize education summits to facilitate collaboration, share best practices, and address challenges and opportunities in the field of education at a global level.

- To obtain NBA Accreditation for BE CSE,IT,ECE, MECH and MBA Programmes

- Encourage students to participate in Sports, Yoga and Cultural activities for their overall development and well-being

- To train the faculty members through professional organization and enable them to transfer the knowledge to the students.

- Inculcate social awareness among students through tree plantation, blood donation and awareness rally.

2.MOOC Courses

The committee members emphasized the importance of the institution encouraging greater participation from faculty and students in MOOCs, such as those provided by NPTEL and Coursera. They also commended the institution for implementing the courses as mandatory subjects in the previous year. Furthermore, it was recommended that faculty members should enroll in at least one MOOC/NPTEL course per academic year.

3. Identification of professional organization for training the faculty members

Committee members recommended extensive research to identify professional organizations that are known for their expertise in faculty development and training with a strong track record, positive reputation, and a focus on the specific thrust areas such as Web development, Advanced Java, DBMS, Cloud computing, Data structures using C++ and Application development.

4.AICTE Curriculum implementation

The committee members inquired about the revision and enforcement of the program. The principal assured the committee members that the curriculum has been revised to meet industry standards, and faculty members have been trained in the new curriculum through faculty development programs.

Submitted for favour of information to the IQAC`

Dr. P. Ashoka Varthanan, Coordinator, IQAC proposed the vote of thanks to all the members of the IQAC Committee and expressed gratitude for their sustained involvement in IQAC activities.

Subject: Invitation for IQAC Meeting on 30/10/2023

Dear Member,

As part of our ongoing efforts to enhance and sustain the quality of academic activities at our Institution, I am pleased to invite you to the upcoming **IQAC meeting** scheduled on **30th October 2023 at 11 a.m in the Administrative office Conference hall.**

Agenda for the meeting:

1. Opening remarks
2. Targets set and follow up
3. Internal and External audit
4. NIRF,NBA,NAAC – Rankings & Accreditations.

Your active participation and valuable inputs are crucial to our continuous efforts to maintain and improve the quality of our institution.

Looking forward to your participation and fruitful contributions to the meeting.

Special Invitees		
Dr. V. Ragavi	Dean (Student Affairs)	Senior Faculty
Dr. S Jeyasudha Subburaj	Dean (Placement)	Senior Faculty

The MBA department has applied for accreditation and awaiting committee visit.

• Encourage students to participate in Sports, Yoga and Cultural activities for their overall development and well-being

Sri Krishna Stadium was inaugurated by Shri. Anurag Singh Thakur, Hon'ble Union Minister for Information and Broadcasting, Youth Affairs & Sports on 23.09.2023. The stadium has a state of the art football field with an artificial turf and flood lights.

Anna University Sports Board - Zone 10- Badminton Tournament 2023 - 2024 was organized at SKCET on 10.10.2023.

SKCET celebrated International Yoga Day on 21.06.2023 to raise awareness about the importance of yoga and its potential to enhance well-being, focus, and overall productivity among the First year students.

A special Yoga Session was organized for the students on 17.10.2023 to acknowledge and celebrate the immense benefits yoga brings to our lives and to experience solace and serenity.

Theatre Club of SKCET organized "Pose the Yogic Way" event for the first year students on 10.10.2023 to introduce participants to the practice of yoga and its positive effects for self-expression and mindfulness.

• To train the faculty members through professional organization and enable them to transfer the knowledge to the students.

SKCET collaborated with iamneo.ai to offer intensive industrial training for faculty. Training is provided on niche courses like Web development, Advanced Java, DBMS, Cloud computing, Data structures using C++ and Application development and Python programming.

• Inculcate social awareness among students through tree plantation, blood donation and awareness rally.

The following programmes were organized to inculcate social awareness

- SKCET organized a Mega Paper Bag Making Event on 12.7.2023 as an attempt for world record. Our students have crossed the target and reached a total number of 15,627 paper bags in 30 minutes and etched its name into the

meetings with faculty pursuing doctorates and provide support for their completion.

4. Seed Money

CEO insisted to ensure that the documents for awarding seed money to faculty members are as per the NAAC norms.

5. Higher studies opted students

Higher studies pursuing student details of each department need to be updated to the IQAC with the supporting proof such as ID card and offer letter through the department coordinator.

6. Collaboration and Conferences

Organize joint conferences and seminars with other reputed educational institutions to improve the scores under collaborative quality initiative with other institutions.

7. Faculty Support

CEO insisted the heads to continue the rapport with the professional bodies and remit the annual membership fees for the faculty members. The subscription fee shall be borne by the institution.

8. Energy Sustainability

Committee suggested developing an SOP for energy conservation in the institution and measuring the impact after implementation. The impact of energy conservation practices shall be measured and report shall be submitted after six months.

9. Village Progress Assessment

Committee insisted to regularly monitor and evaluate the progress of an adopted village, focusing on improvements in physical infrastructure and employment opportunities, with assessments every six months.

SUBJECT NO.	DESCRIPTION
Part A	Action Taken on Annual Targets
Part B	Discussions & Delebrations 1. Swayam NPTEL Status 2. Student Accolades 3. Value Added program 4. Infosys Springboard

Submitted for favour of confirmation to the IQAC.

PART A: ACTION TAKEN ON ANNUAL TARGETS

- **To obtain NBA Accreditation for BE CSE,IT,ECE, MECH and MBA Programmes**

The 4th cycle of NBA Accreditation visit for the BE CSE,IT,ECE and MECH programmes was conducted during 8th to 10th of September 2023 and all the four deparments successfully received accreditation for the period of three years.

- **Encourage students to participate in Sports, Yoga and Cultural activities for their overall development and well-being**

Techie Club of Science and Humanities Association conducted E-Sport competition for the First-year students. The event was an engaging and competitive platform that fostered teamwork, strategic thinking, and technological skills among participants. It created an inclusive space for students to showcase

their gaming abilities, promoted sportsmanship, and explored the potential of electronic sports as a recreational and competitive activity.

The Extramural Club of the Science and Humanities Association organized "Music on Mosaic," a singing competition for first-year students, on November 3, 2023. This event aimed to provide opportunities for cultural and aesthetic experiences through active participation in music, thereby enhancing the students' understanding and appreciation of the arts.

- **Inculcate social awareness among students through tree plantation, blood donation and awareness rally.**

The following programmes were organized to inculcate social awareness

UYIR club volunteers of SKCET assisted the Coimbatore City police in regulating traffic at Big bazar Street and Oppanakara street on 06.11.2023. Around 10 trained volunteers were involved in the traffic regulation ahead of Diwali. The volunteers insisted the pedestrians to walk on the foot path and suggested the riders to wear helmets and seat belts to have a safe journey.

The Department of Mechatronics Engineering in association with NSS and Uyir Club conducted an outreach activity for the School Students at Government Girls Higher Secondary School, Thondamuthur on 07.12.2023. A Drawing Competition on the theme Road Safety was conducted for the students. Best art works were awarded with certificates and exciting prizes.

Civil Engineering students of SKCET celebrated Green Diwali with tribal school children at Govt. Middle School, Kondanur. The event was organised by Social Club - Eagai and Eco - Green Club - Mannvaasam. 40 students and faculty members conducted awareness sessions on air pollution, waste management, and plastic pollution. Tree plantation drives and games were conducted for students.

PART B: DISCUSSIONS AND DELIBERATIONS

1. Swayam NPTEL Status

The students were motivated to participate in NPTEL exams, with a total of 1624 candidates registering for the July to December 2023 session. In November, the results were announced by the Swayam NPTEL local chapter of

IIT Madras, revealing that 1173 students had successfully cleared the exam and received certifications. Among these, there were 17 top scorers, 7 Gold certifications, 124 Silver certifications and 504 achieving Elite certifications.

2.Student Accolades

The committee memebrs appreciated Team Gepard Racing comprising of 27 students of SAE INDIA SKCET Collegiate Club from the Department of Mechanical Engineering for securing four awards in the National Level "Formula Kart Design Challenge (FKDC 2023)" organized by the Fraternity of Mechanical and Automotive Engineers(FMAE) from 29.10.2023 to 02.11.2023.

2. Value Added program

Department of Mechanical Engineering in association with Marvel Additive System, Coimbatore organized a value added course on 'Mastering Additive Manufacturing : A Practical Design Approach' from 27.10.2023 to 04.11.2023. Mr. R.S.T.Harinishok, Founder & Chief Operating Officer, Marvel Additive System, Coimbatore was the Resource Person of the session.

3.Infosys Springboard

The committee members appreciated first year students of Computer Science and Engineering (Cyber Security) and Artificial Intelligence and Data Science (AI&DS), for successfully completion of the Course on "Basics of Python" organized by Infosys – Spring Board.

4. Research and Development Progress

A total of 192 research papers have been published so far in 73 Scopus-indexed international journals and 119 Web of Science journals for the academic year 2023-2024. Faculty and students have jointly obtained 44 patent grants, including 17 international patent grants. The committee members suggested organizing a conference on recent trends to improve the publications.

Submitted for favour of information to the IQAC`

Dr. P. Ashoka Varthanan, Coordinator, IQAC proposed the vote of thanks to all the members of the IQAC Committee and expressed gratitude for their sustained involvement in IQAC activities.

The following agenda was taken up for discussion.

SUBJECT NO.	DESCRIPTION
Part A	Action Taken on Annual Targets
Part B	Discussions & Delebrations 1.Student Accolades 2. ISNEE Motorsports - Interaction 3. World Creativity And Innovation Day Celebration 4. Academic calendar

Submitted for favour of confirmation to the IQAC.

PART A: ACTION TAKEN ON ANNUAL TARGETS

- **To organize education summits to facilitate collaboration, share best practices, and address challenges and opportunities in the field of education at a global level.**

The Higher Education Cell of SKCET hosted an enlightening awareness program aimed at guiding students interested in pursuing education abroad in March 2024. The resource person of the event was Mr. Arun, General Manager of the Aham Group of Companies in Coimbatore. He covered a comprehensive range of topics, including selecting the right country and university, navigating the admission process and study permit procedures, understanding work opportunities and visa requirements, effective financial planning, and adapting to new cultures. Mr. Arun's insights provided valuable guidance and clarity, empowering students to make informed decisions about their international education and future career paths.

- **To obtain NBA Accreditation for BE CSE,IT,ECE, MECH and MBA Programmes**

Department of CSE, IT,ECE, MECH have been accredited by NBA for a duration of 3 years. The MBA department has submitted the Self-Study Report (SSR) for NBA Accreditation and is now awaiting the committee's visit. This report comprehensively outlines the department's academic standards, faculty qualifications, student achievements, and administrative practices. The department is preparing diligently for the committee visit.

- **To train the faculty members through professional organization and enable them to transfer the knowledge to the students.**

Faculty members of SKCET in collaboration with iamneo- an AI-powered EdTech Startup have undergone extensive training to offer intensive industrial training programs. These programs are designed to equip participants with advanced skills in specialized fields. The courses provided include Web Development, Advanced Java, Database Management Systems (DBMS), Cloud Computing, Data Structures using C++, Application Development, and Python Programming. This collaboration ensures that the faculty can effectively deliver cutting-edge knowledge to the students and prepare the students industry ready from day one onwards.

- **Inculcate social awareness among students through tree plantation, blood donation and awareness rally.**

SKCET UYIR Club and Coimbatore City police jointly organized "Helmet awareness Campaign" on 09-02-2024 at Kovaipudur junction, Sugunapuram, Coimbatore. The helmet awareness programme started at 9 am in the presence of traffic sub inspectors Mr.Srinivasan & Mr.Shanmugham from Kuniamuthur police station. The awareness programme started with a brief lecture on benefits of wearing helmets and seat belts by the Traffic Inspectors. In the Helmet awareness campaign, the focus is on educating the public about the crucial importance of wearing helmets while riding. The campaign aims to reduce road accidents and save lives. By emphasizing the significance of helmets in preventing head injuries, the campaign strives to create a culture of responsible riding.

The Department of M.Tech CSE, in collaboration with the NSS volunteers of SKCET, conducted a guest lecture on the importance of first aid for college students on February 22, 2024. The objective was to teach basic first aid techniques such as CPR, wound dressing, fracture immobilization, and handling medical emergencies like choking and heart attacks. Mr. Vinod Murugan, a trainer from ALERT NGO, and his team delivered the lecture, sharing real-life experiences and case studies to emphasize the critical role of immediate intervention in saving lives and reducing the severity of injuries and illnesses.

PART B: DISCUSSIONS AND DELIBERATIONS

1. Student Accolades

The committee members commended Ms. E. Vijayasri, a second-year EEE student, for her exceptional driving skills and overall team leadership in the Kart Design and Racing Championship 2024. In recognition of her outstanding performance, she has been selected as an 'AIMS representative' (Girl Kart Driver) for the forthcoming International Level Kart Event in Dubai. Additionally, she will undergo training at CRA (Coimbatore Racing Academy) Motorsports to prepare for the event.

2. ISNEE Motorsports - Interaction

Mr. Krishna Kumar, Project Kart Manager from ISNEE Motorsports in New Delhi, met with Dr. P. Ashoka Varthanan, Dean of R&D and Innovations, Head of Mechanical Engineering, and Dr. K. C. Ramya, Head of Electrical and Electronics Engineering, along with Kart faculty mentors, to foster Industry-Academia collaboration on April 23,2024. The discussion aimed to enhance students' skills and industry knowledge. Highlights included internships and training programs, hiring plans for third and final-year students, value-added courses in niche technologies, and the establishment of student chapters for networking, workshops, and events to enrich students academic journeys and career readiness.

3. World creativity and innovation day celebration

The Department of Computer Science and Business Systems, along with the Department of Computer Science and Engineering [Cybersecurity], in association with IIC, organized the events "Creative Artistry" and "Pen Your Innovative Patent" for students to showcase their creativity and patent ideas. A total of 13 teams participated, presenting a diverse range of creative works and patent concepts. Prizes were awarded to the winners of both the Creative Artistry and Pen Your Innovative Patent contests.

4. Academic calendar

Academic calendar for the next academic semester (ODD 2024-25) shall be published before June 2024. The calendar shall include the details of administrative incharges such as hostel wardens, Network admin, Security incharges and all other committee details.

Submitted for favour of information to the IQAC`

Dr.P Ashoka Varthanan, Coordinator, IQAC proposed the vote of thanks to all the members of the IQAC Committee and expressed gratitude for their sustained involvement in IQAC activities.
